BOUTIQUE CRUISING REDEFINED

OUR STORY

...for a different approach to

cruising, we created Elixir Cruises in the midst of a world pandemic and against all odds. We passionately believed in our vision: to redefine boutique cruising by offering a holistic approach that embraces mind, body, and soul aboard yacht-style havens of comfort and style.

Early on in our journey we were hailed "The boutique cruise company that feels like being on a private yacht". Four years and thousands of happy guests later, we continue to constantly strive to elevate the Elixir experience, inspired by you, our guests.

THE ELYSIUM

Genuinely boutique, combining elegant ambiance, personalised service, authentic experiences and soothing wellness activities, the SOLAS certified 64 meter/25-cabin ELYSIUM, was launched in 2021 and sails the Greek islands offering the best of both worlds: the many choices of a larger ship and the magic of a yacht-style experience.

THE GEMAYA

The 33-meter GEMAYA yacht, features 5 deluxe cabins and introduces a unique proposition: a true yachting experience at a fraction of the cost. We call it affordable luxury, our guests call it an experience of a lifetime.

WHY US

UNMATCHED CONCEPT

Imagine a week of complete relaxation. The sea breeze on your face, refreshing dips in the water, a soothing massage, a scrumptious BBQ, early morning yoga, immersing into local culture. This is not a cruise as you know it. This is a unique experience that will touch your soul forever. Intimate and truly boutique, like being on a private yacht.

AUTHENTIC JOURNEYS

World known destinations but most importantly secret gems and hand-picked locations await you. We are firm believers of the motto "don't go where the path may lead, go instead where there is no path and leave a trail". This is your chance to feel and be as the locals.

CULTURE, WELLNESS & FUN

Your time onboard will be filled with unforgettable moments. Visits to ancient ruins untouched by time, soothing Balinese massages and daily complimentary wellness sessions, water sports, cooking classes, walking tours, local dances. We give you the choices to tailor make your journey and make it as active or as relaxing, as you like.

TOUCH THE TRUE BLUE

Discover hidden coves and pristine beaches, accessible only by yachts. Enjoy daily swim-stops and simply jump off the yacht for a dip in the crystal-clear waters. Water sports, water toys, clear bottom kayaks, sea-bobs, floats and snorkelling gear make your experience even more fun.

GENUINE SMILES

Our team is committed to providing you with the best possible service. We pride ourselves on our crew-to-passenger ratio of 1:2, ensuring that every member onboard knows you by name. Each member of our team sincerely cares and will go above and beyond to make you happy, always with a genuine smile.

FOOD FOR THE SOUL

Our farm-to-table dishes are lovingly prepared daily by our Chefs with the freshest ingredients. Mediterranean and fusion creations, fresh seafood BBQs and exclusive local delicacies accompanied with fine wines await to excite your palate.
